The Bantam teams are quite low in numbers and continue to drop
so

it was decided that,

- 1) Pee wee players will be asked to move up to round out the numbers since there are adequate peewees to draw from.
- 2) If that doesn't work, consider amalgamating the rep and house teams to make one team.
- 3) Decide at that point to be house or rep.

It was decided to welcome the "Pink in the Rink" event that one of the teams wants to organize.

Meeting adjourned at 7pm.
